

Where is a better place to be on April 30th?

Come to the **Annual BCIL Advocacy Summit** at the
Transportation Building, 2nd floor, lunch provided
12:30 – 4:00 pm

Why come this year?

**We plan to have a serious discussion about our needs.
We will define the issues that have been ignored or have
not come up at all.**

**Speak up. This will be a conversation, not a lecture.
Bring your ideas – don't be shy.**

Special Guest Speaker:

MEL KING

**Political activist, educator, politician,
historical treasure in the city of Boston.**

**How do we connect our civil rights to the civil rights of
others who have organized before us? What can we
learn about other movements that link us and make all
of us stronger?**

**Questions? Contact Bill Henning or Evelyne Milorin at
BCIL 617-338-6665**
